**CERTIFICATE OF ANALYSIS****SO0428\_22010201/1**Product Sodium hydroxide, concentrated solution to prepare 1 l of solution 1  
mol/l (1 N)

Batch 22010201

Quality release date 25/08/2021

Expiry date 08/2024

**SO0428**

Analysis	Batch value	Specifications	±U
Concentrated solution	5 mol/L	5 mol/L	0,1 %

**Preparation**

This volumetric solution is prepared using gravimetric and volumetric procedures.

Contains 40,000g Sodium hydroxide.

**Measurement**

This concentrated solution was checked using Scharlau's potassium hydrogen phthalate volumetric standard.

**Storage and use**

Concentrate to prepare 1 litre of solution according to the instructions printed in the box.

If needed, different concentrations may be obtained by dilution to a volume other than 1 litre.

Included in the box is an extra label to be stuck in the user's flask.

This concentrated solution in the ampoule is stable for 5 years from the date of manufacturing.

Preserve the unopened ampoule in the original package.

For laboratory use only
