CERTIFICATE OF ANALYSIS**SO0728_22771601/1**

Product	Sodium thiosulfate, concentrated solution to prepare 1 l of solution 0,1 mol/l (0,1 N)	Batch	22771601
		Quality release date	05/09/2022
SO0728		Expiry date	05/2025

Analysis	Batch value	Specifications	±U
Concentrated solution	1 mol/L	1 mol/L	0,1 %

Preparation

This volumetric solution is prepared using gravimetric and volumetric procedures.
Contains 24,818g Sodium thiosulfate pentahydrate.

Measurement

This concentrated solution was checked using Scharlau's potassium iodate volumetric standard.

Storage and use

Concentrate to prepare 1 litre of solution according to the instructions printed in the box.
If needed, different concentrations may be obtained by dilution to a volume other than 1 litre.
Included in the box is an extra label to be stuck in the user's flask.
This concentrated solution in the ampoule is stable for 5 years from the date of manufacturing.
Preserve the unopened ampoule in the original package.
For laboratory use only
