

Identification

$(C_6H_{10}O_5)_n$

CAS [9005-84-9]

EC number: 232-686-4

Taric code: 3505 10 90

Synonyms

Amylum solution, Potato starch solution

Applications

analytical chemistry, indicator (iodometric analyses).

Specifications

sensitivity as indicator in iodometry..... passes test

store below room temperature

Avoid exposure to light

Transport/storage

• 15°C - 25°C
